MEMORANDUM FOR THE RECORD

**SUBJECT: Manuscript Submitted by Vice Admiral Rufus L. Taylor,
USN (Ret.), Former DDCI, to the Naval Institute**

On 30 November 1972 Admiral Taylor called my office and left a message that the Naval Institute was very enthused about his essay, "Secrecy in Government," a copy of which he had previously sent me with the request that I determine if the Director would have any objection to its being published. On 1 December I discussed this with the Director and called Admiral Taylor later in the day to advise him that the Director had absolutely no objection.
